**Subject:** RERT vols for R6: Web EOC creds needed?

R6 Logs and/or Susan,

RERT is hoping to provide a few volunteers for the R6 needs and we're hearing that Web EOC/PRL is being used to track people with training. We don't have Web EOC credentials that work, but are willing to work within whatever platform is helpful to you, to get you some assistance.

Please advise, thank you!

Sara DeCair, RERT & OAR RSC Coordinator
